Welcome! Orme Circle Properties provides residential real estate portfolio and property management services to the Atlanta, Georgia market. With more than fifty years' combined experience, our team's organizational strength is our ability to supply competitively priced housing that stands out against the competition while delivering above-average returns to our investor-owners.

Our tenants that stay with us nearly *three times longer* than the national average. They are the foundation of our business and our primary source of new tenant referrals.

If you're a renter that's thinking it might be time for a change, we may have the perfect new home for you. It takes only a few minutes to complete our streamlined, online *lease* application. And unlike most property management companies, we provide same-day application review - so we won't leave you hanging.
