

# Am I eligible to submit a pet application?

**PLEASE NOTE THAT THE LEASE AGREEMENT REQUIRES YOU TO SUBMIT A PET APPLICATION, AND YOUR APPLICATION MUST BE APPROVED - IN WRITING - BEFORE YOU ARE ABLE TO KEEP A PET ON THE LEASED PREMISES!**

Some property owners place restrictions on the number and types of pets tenants can submit an application to keep on the leased premises. Additionally, insurance carriers will often restrict certain breeds of dogs as well. You can see what type of pets we are able to accept applications for based on your rental unit address, below:
